EDITORIAL

This October, the Institut français d'Indonésie invites you to dive into the many facets of French cinema, with our regular screenings and a series of special events celebrating films from France to Indonesia.

We are proud to take part in **La Fête du cinéma d'animation**, held every October in hundreds of cities across France and throughout the French cultural network worldwide. It is a celebration of French animation, a rich, endlessly inventive art form that has always been at the forefront of creativity. To mark the occasion, join us on **Thursday, October 15** for a **free surprise short-film night**: a dazzling selection of unreleased shorts that have made their way through the world's most celebrated festivals, now arriving on our screen for one unforgettable evening.

The end of the month also brings a **special Halloween night**, co-organised in partnership with **Jakarta Cinema Club**. Expect a mix of French and Indonesian short films for a night of cinema, thrills and surprises.

A month of discoveries and unexpected encounters on screen. See you in the theatre!
